

....offers you over 50 ways to make Tennessee an *even better* place to live!

We want to take good care of Tennessee's water, air, and land. You can help us do that by supporting one of our nonprofit members whose mission is exactly that – protecting and preserving Tennessee and its natural resources.

Did you know that people who abuse animals are likely to abuse their spouses and children, too? We want to protect people and animals from abuse. Help us make Tennessee a state that doesn't tolerate cruelty and discrimination of any kind.

**Your gift. Your community.
Your choice.**

For over 20 years, Community Shares and its members have been making a difference in Tennessee. Help us change things for the better.

Give to Community Shares or designate a gift to one or more of our member groups through the 2007 Tennessee Employees Charitable Campaign. Look for us in this year's TECC brochure.
